

Tyre Lever Set 3pc

Set of 3 compact aluminium tyre levers, suitable for road and trail side repairs, as well as general workshop use. Each features a spoke hook end that allows the levers to hold themselves in place when more than one is required. Their slimline compact design makes them ideal for packing into any saddle bag, back pack, or toolkit.

Additional Information

- 3x lightweight & compact tyre levers.
- Each features an ergonomic bend with spoke hook, allowing the tire to be pulled out easily.
- Length: 92mm.
- Manufactured from aluminium for strength & lightness.
- Part of the Kamasa Cycle Range.
