

Off-Line Driver

This innovative 1/4" quick chuck hex shank to 1/4" shank bit holder, suitable for both cordless drills and bit drivers, also features an off-line function for hard to reach fixings such as where walls/door frames restrict access. It comes supplied with a PzDrive Pz2 bit and is suitable for use with any 1/4" shank bit.

Additional Information

- Off-Line/Fixed socket & bit holder with a quick chuck end.
- Suitable for 1/4" shank screwdriver bits.
- Includes: 1x PzDrive bit. Size: Pz2.
- Can be used standard or with the off-line feature, allowing up to 15° angle when drilling & fixing close to obstructions such as walls or door frames.
- Ideal for use with cordless drills.
