

Modular Rolling Toolbox 2pc - with 100kg Load Capacity

This 2-piece set combines the Kamasa Large Modular Rolling Toolbox, Part No. 56165, with the 2-Drawer Modular Toolbox, Part No. 56166. Industrial quality, lightweight and durable, it features a deep trolley-style toolbox with heavy-duty wheels designed for rough terrain. Reinforced corner supports provide added strength and contribute to an overall load capacity of 100kg, while the IP65-rated waterproof construction helps protect tools on site. Part of a stackable modular storage system, the toolboxes interlock securely for convenient transport and storage.

Additional Information

- Industrial quality for professional tool storage, fishing tackle & camping gear storage.
- Box dimensions: 512 x 390 x 415mm & 512 x 360 x 377mm. Combined height: 780mm.
- Manufactured from impact resistant Polypropylene (PP) plastic with Nylon (PA6) handle & metal latches. Waterproof (IP65 rated).
- Modular stackable design, combines Kamasa Part Nos. 56165 (rolling toolbox) & 56166 (toolbox - 2 drawer). Also compatible with Part No. 56167 (organiser case).
- Rolling toolbox features a non-slip trolley handle that adjusts from 685 to 1015mm, folding carry handle built into the lid, 7" diameter all-terrain wheels. 2 drawer toolbox features a folding carry handle built into the lid, 2x lockable draws (370 x 267 x 84mm) & deep top storage (436 x 297 x 95mm). Optional drawer dividers available, please see Kamasa Part No. 62806.
